

# Together We're So Much More (Braun-Rivers)

G D/F# Em G/B Cadd9 D  
I'm not really sure how it all began, it's just a blur to this humble man  
G D/F# Em G/B Cadd9 D  
From admiring your beauty, from afar, all the way, to where we are  
G D/F# Em G/B Cadd9 D  
Only God alone could have brought this to be, not fate, nor luck, not you or me  
G D/F# Em G/B Cadd9 D  
Only by His divine love He chose, to put my thorns, with your rose

Am G/B C D  
*He made us better than we were alone*  
Am G/B C D  
*Think of the ways, in Him, we've grown*  
Am G/B C D  
*We now know more love than we knew before*  
C D G D/F# Em G/B Cadd9 D  
*And together, we're so much more*

G D/F# Em G/B Cadd9 D  
So there's a joy that comes from knowing Christ and happiness from my wife  
G D/F# Em G/B Cadd9 D  
Though we're not perfect, we follow His will and His love abides in us still  
G D/F# Em G/B Cadd9 D  
Babe whatever our future together holds, great joy or sadness, yet untold  
G D/F# Em G/B Cadd9 D  
I'll try to love you as Jesus loves me and so shall it ever be

-chorus-

Em D Cadd9 G D/F#  
He holds us in the palm of His hand, let's stay centered in His plan  
Em D Cadd9 D  
Love and forgiveness, joyfully we trust, let Him have His way in us

-chorus-

G D/F# Em G/B Cadd9 D G
